

# **The 10 best Financial Freedom Podcasts**

**CONTRARIAN**  
 **THINKING**

I've listened to over 1,000 podcasts on making money.

Here's the truth: 50% of them were useless, 25% were flat-out wrong, and 11 **changed my financial life** forever.

These episodes cut through the noise and get right to the real insights.

**You actually have to work hard not to learn something valuable from these.**

I've saved the best for last...

## **1. Naval Ravikant on How to Get Rich Without Getting Lucky**

**Podcast:** Naval Podcast

**Why Listen:** Naval breaks down the mindset, habits, and philosophy of building wealth without relying on luck. A masterclass in thinking differently about money.
